Re: Plummer v. Quinn, et ano., 07 Civ. 6145 (WHP)

Dear Judge Pauley:

I am an Assistant Corporation Counsel in the office of Michael A. Cardozo, Corporation Counsel of the City of New York, attorney for defendants in this matter. I write today on behalf of all parties to respectfully request a one-week extension of time for the parties to complete the joint pre-trial order, from January 25, 2008 to February 1, 2008. This is the parties' second request for such an extension.

The parties had been in the process of preparing the joint pre-trial order covering all of plaintiff's claims at the time this Court issued its order granting in part and denying in part defendants' motion for summary judgment. The parties agree that it would be best to review the Court's decision and submit a focused pre-trial order addressing the remaining claims rather than to submit the pre-trial order addressing claims and issues no longer applicable in light of the Court's decision. The requested extension will therefore allow the parties the necessary time to review the Court's decision and revise the pre-trial order in accordance therewith.

For the foregoing reasons, the parties respectfully request a one-week extension of time for the parties to complete the joint pre-trial order, from January 25, 2008 to February 1, 2008. Thank you for your consideration herein.

Respectfully submitted,

Eric Eichenholtz
Assistant Corporation Counsel

Application Granted.
